

Junior School

Term 3

Congratulations to Miss Jackson, who is now called Mrs Dickson after getting married in the school holidays. Room 7 students have really enjoyed and looked forward to the wedding all year!

Welcome to Miss Sullings who is a student teacher in Room 8 for five weeks this term.

Room 6 has regular open mornings for any parents who want to come and see the wonderful teaching and learning in the New Entrant classroom.

Room 6 is available for visits every Wednesday morning from 9:00-11:00, please make sure if you are visiting you sign in at the office before you visit the classroom.

Show

This term we have a show in Week 2 visiting our school. The show will involve a small cost to families.

Please remember it is important for students to attend the show to support their learning at school. Unfortunately if students do not pay for a show they will not be able to attend.

The first show is:

The Old McDonald show on Friday 30th July Week 2.

A notice will be coming home shortly about the show and it will include the cost for each child.

Junior Homework

Homework in the Junior classrooms will begin in Week 1 of this term. Most students will come home with readers, which are either easy for them to read or at their reading level in the classroom. It is important an adult listens to their reading and can sign the sheet in their book bag everyday. Some children will have letters, spelling words or basic sight words to learn at home.

Please remember to support your child, by helping them with the learning areas identified in your child's school report. If you need any support with this please come into school and see your child's teacher, they will be very happy to help with this.

Our learning this term

We are very excited to be learning about Road Safety with the Stepping Out Programme for Weeks 1-4 of this term. Constable Cam will be regularly coming into school to support us with this topic. The students will be learning about crossing safety, car safety, identifying hazards and much more.

The concept for Term 3 is Diversity. We hope the students will be able to understand and explain by the end of the term the following statements:

- Cultures do things in special ways.
- Everybody belongs to at least one culture.

The topic we will be using to learn about Diversity is:
Weeks 5-10: People and Places

The Junior Team

Claire Edwards, Sangeeta Alluri, Ana Tonga, Michelle Milsom-Rattray, Emily Dickson and Victor van Wetering.
