

A decorative border of arrows surrounds the text. The arrows are arranged in a circular pattern, pointing outwards from the center. Each arrow has a black and white striped tail and a black arrowhead. The arrows are connected by a dotted line.

# Ocean Show

By Nifai

On last Friday we walked to the hall to see the "Ocean Show". It was a cold morning but the sun soon came out and kept us warm.

Nicky showed us and told us lots of amazing facts about the ocean. I learned that ocean covers 71.9% of the world. The water is not green or blue but it is clear and see through! My favourite creature is the light fish. It is black with a yellow light on top of its head like a lamp-post.

Finally, it was great to stand on the blue whale's tail. Everyone in the senior school could fit in! It was amazing! Then we went outside to have morning tea.

It was an awesome day!
