

Extraordinary Stained Glass

Materials:

Paper Pencil Vivids OHT sheet

Method:

1. Take out a writing book/pad and draw anything or anyone on it.
2. When you are happy with the design, grab an OHT to draw on.
3. Sketch the design on your OHT.
4. Carefully colour it in with coloured vivids.
5. Hang it on the window with Blue-tack.

It looks colourful & extraordinary, and will be a masterpiece. If you look at it on the window, it would look like it blends in. (Note: If you cover the OHT with some curtains, you can see through, it will pop out like a ghost.)

Happy Designs!
