

Wesley Primary Room 10

Kia ora!

Dear Parents and Caregivers

Hello and welcome back to term 3. Our topic this term is 'heroes'.

In mathematics our focus will be on addition and subtraction for the first half of the term and then multiplication for the second half. We will also be learning about fractions and studying statistics on Fridays. Our main focuses for reading will be making inferences when we read, retelling a story and summarizing the text. For writing we are learning about modern narratives and writing our own stories.

Homework:

This term students were given a homework sheet with different activities based around our topic. Please encourage your child to complete some activities to share in class. As usual, students need to learn their times tables and also practice their spelling words each week.

Feel free to come in to Room 10 for a visit or a chat any time!!

Thank you for your support,

Miss Hames 😊
