**Fantastic Playdough** By Falesiu Room 14 On a sunny Friday morning, Room 14 went to the hall and we were going to make playdough. I felt excited because it was my first time making playdough! Everyone was happy. Ms Cheung gave us the recipe paper to follow. I was with Meleana and Jasmine. We put food colouring, cream of tartar, 2 cups of flour, 2 tablespoons of oil,  $\frac{1}{2}$  of cup of salt and 2 cups of boiling water into an ice-cream container. Then we mixed all the ingredients together with a wooden spoon until it became a dough. My playdough was a pink one, I liked it very much. We can make lots of pink butterflies. It was a wonderful day.
